

CLASS RANK

Class rank is determined by the numerical average by all high school courses taken at Canyon Creek. Students must have attended CCCA for six semesters in order to be ranked. Due to the small size of classes, only the top 50% are ranked.

PARENT/STUDENT ACCOUNTABILITY

Renweb is an online webhost that CCCA uses to help connect parents and students with necessary educational information. Each parent is given a person account upon admittance to CCCA. With that account you may:

- Receive emails with school or class information
- See grades on homework, quizzes, and tests
- Access attendance information
- Read lesson plans and homework assignments from your student's teachers
- Access report cards
